

FLEXIBLE FACIAL EXPERIENCES

 YOURBODYSRETREAT.COM

At Your Body's ReTreat in Hurst, Texas, we specialize in customized facials that deliver both results and relaxation. Every treatment is tailored to your unique skin needs using advanced modalities and internationally recognized skincare lines.

Our approach is simple. **Cleanse + Correct + Infuse + Hydrate & Protect.** We blend corrective techniques with skilled touch, leaving your skin looking brighter, hydrated, and refreshed with that sought-after glass skin glow. No two facials are the same — every session is curated by your esthetician for optimal results. Choosing a facial has never been easier — simply select the amount of time that fits your schedule and let us do the rest.

DEEP SEA RETREAT \$275

120 Minutes

An immersive experience that renews your skin at every level. With **three Focused Additions**, this treatment refines, restores, and replenishes — leaving your complexion luminous and deeply revitalized.

COASTAL RENEWAL \$200

90 Minutes

A comprehensive facial that dives deeper into skin correction and rejuvenation. With **two Focused Additions**, it's ideal for clients seeking visible transformation and total restoration.

ISLAND GLOW \$150

60 Minutes

Your essential glow experience. Designed to deliver visible results and deep relaxation, this facial includes one advanced Focused Addition for balanced, hydrated, radiant skin.

SEA BREEZE \$99

45 Minutes

A quick coastal refresh for skin that needs a little escape. This express treatment clears, brightens, and hydrates — the perfect pick-me-up between deeper services.

FOCUSED ADDITIONS

SPECIALTY FACIALS

Alongside our customizable time-based facials, we also offer branded and technology-driven treatments that feature specialized devices or proprietary product systems.

- **Geneo's Glo2 Facial** – A patented 3-in-1 treatment that oxygenates, exfoliates, and infuses for immediate, visible glow.
- **Elaine Brennan Peels** – Proven professional peel system designed to refine texture, brighten, and even tone.
- **Jet Cold Plasma Treatments** – Cutting-edge plasma energy designed to tighten, smooth, and renew. Best performed in a series of three – eight for lasting results.
- **Multi-Phase Skin Restoration Series** – A progressive treatment program that supports long-term skin health through layered corrective phases.

Each of these specialty services is exclusive, product- or device-based, and can be scheduled individually or in series for enhanced results.

SUGAR HAIR REMOVAL

The Sweetest Hair Removal in HEB (Hurst, Euless, Bedford)

At Your Body's ReTreat, Jamie and Melissa use professional sugaring to give you beautifully smooth skin — naturally. Gentle, effective, and perfect for even the most sensitive areas. We have over 22 years' combined experience. Jamie is an award-winning Sugaring expert. We provide services to all.
